M: Are you OK?

J: Yes, why do you ask?

M: Well, you don't look very happy.

J: Oh, yes. I think I feel homesick. I was thinking about my family.

M: Yeah, I know what you mean. Have you got any photos of them?

J: Yes, here on my mobile. Look, this is my dad.

M: You look like him.

J: Well, wait till you see my brother.

M: You're right. He's the spitting image of your dad.
